"My soul, wait thou only upon God; for my expectation is from him." This declaration of David's confidence in God constituted the Golden Text in the Lesson-Sermon

on "Soul and Body" Sunday, November 24, in Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Among the Bible texts in the Lesson-Sermon were these verses from Luke, relating to Christ Jesus: "And he said unto his disciples: 'Therefore I say unto you, what ye shall eat; either for the body, what ye shall put on. . . . And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. . . . But rather seek ye the kingdom of God; and all these things shall be added unto you.'"

A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" cited these words of Mary Baker Eddy: "If we follow the command of our Master, 'Take ye thought for your life,' we shall never depend on bodily conditions, structure, or economy, but we shall be masters of the body, dictate its terms, and form and control it with Truth."

## Who Are We and What Are We?

It has been thought that steel and other big stock corporations was the barometer of our prosperity and incidentally of our civilization. But since it has revealed itself in the form of a lowest kind of gambling, worse than the back room and back alley gambling, for it affects every living soul from different angles. Some of the high mechanics are trying to discover them as the leaders of our industrial system and say of our industrial system that the government is compelled to supply the farmers with crutches in form of loans so that they can get around.

While the wise men from the east and west are wrangling about tariff and duty on wheat from foreign countries to protect the farmers. The American farmers that are living close to the border were hauling their wheat to the Canadian side, paying twelve cents duty per bushel and having a good margin left above the home market.
